Township Board Meets Tonight to Discuss Tendered Resignation of Assessor Scully, Elected Official Wants Increase in Salary

Board Ready to Receive Any Applications for Post Appointment

A meeting of the Antioch Township Board will be held this evening to discuss the tendered resignation of Township Assessor Anthony J. Scully and to give consideration to any applicants for the appointment.

The meeting called by Supervisor Lloyd Murrie was regarded as merely a discussion and not an official meeting for the transaction of business.

Supervisor Murrie said he has had Scully's written resignation for a week. It gave no reasons for his quitting.

Assessor Scully, elected last year, and now ready to assume duties, told the Antioch News that his reason for resigning was the result of the failure of the township board to remunerate him adequately for the duties.

Scully said that with the appointment of the new County Supervisor of Assessments, additional work in the way of indexing of accounts, calling for additional clerical help and more of his time, should warrant more salary.

He said that although Antioch, largest township in Lake County, and fifth among the 18 townships in number of descriptions, the assessor is one of the poorest paid.

He cited Zion where the assessor gets \$4,000 and the total allowance of \$12,000 where there are between 5,000 and 6,000 descriptions in contrast to Antioch's assessor's salary of \$3,000 and a total allowance of \$8,700, where there are 12,650 descriptions.

The assessor of smaller Lake Villa Township with less than half the population, Scully said, gets \$3,500. Antioch township upped Scully's salary to \$3,000 in contrast to \$2,500 received last year by Assessor John Miller.

Scully said there are members of the township board who would seek his increase in salary rather than see him resign. The local assessor was elected over two opponents in the balloting last spring.

Supervisor Murrie said that he had accepted Scully's letter of resignation on the basis of its announced intent, and will proceed to find a successor on that basis.

Murrie said that the present budget calls for Scully to get \$3,000 the first two years and \$3,500 the second two years.

Antioch P.T.A. to Buy Audiometer for School

The Antioch Grade School PTA met Monday evening in the Grade School auditorium with about 90 persons present. Program for the evening was a talk given by Mrs. Arthur Meyer on interior decorating, which she called "Color Magic." She told which were the popular colors for this year and also demonstrated the decorating of rooms in Provincial and Modern.

The PTA voted to buy an audiometer, which will be used to test the hearing capabilities of the children and will also be used in the speech classes.

Refreshments were served by the Fourth Grade Room Mothers, with Mrs. Leylon Ibsen, Mrs. B. C. Thompson and Mrs. Robert Jensen in charge.

Lions Plan Ice Rink

Antioch youngsters are due to get some ice skating yet this winter. The Antioch Lions Club has planned to establish a rink on Antioch Lake.

Ray Toft of the Shell Station has agreed to scrape off the deep snow, and the fire department has agreed to flood the present ice to make it smooth.

The electric lights will be attached to the poles used in former years and members of the club will put out benches.

So far, the young people have had no satisfactory place to skate in this community.

Lions Club Organized At Lake Villa With Charter Night Mar. 1

The organization meeting of the Lake Villa Township Lions Club was held January 15 at the Lake Villa Grade School gymnasium.

After the dinner there were talks by Lions Club executives from Gurnee, Winthrop Harbor, Mundelein, Des Plaines and Arlington Heights. After the officers were elected the first of March was set as the Charter night for the newly formed Lake Villa Township Lions Club.

The following officers were elected:

President, Raymond J. Colucio; first vice-president, Albert C. Mohr; second vice-president, Edward E. Tiede; third vice-president, Melvin E. Colbert; secretary, Gene A. Barth; treasurer, David Findlay; Lion tamer, John Everett Awe; tail twister, Maynard Schneider. Directors for one year, John A. Schueler, Harold W. Newyear; directors for two years, William L. Krater, Gordon L. Blumenschein. Committee chairmen are: Charter Presentation, Edward E. Tiede; Membership, Delbert Black; Finance, B. J. Hooper; Constitution By-Laws, Melvin E. Colbert.

Mrs. Gertrude St. John Of Wilmet, Formerly Of Grass Lake, Dies

Mrs. Gertrude L. St. John, 26, of Wilmet, Wis., died at 8:40 p. m. Friday, in St. Luke's hospital, Milwaukee. She had been ill for a year and a half.

Mrs. St. John was born Gertrude Gyger on Nov. 10, 1931 at Glenview, Ill. The family moved to Antioch Township, Grass Lake area in 1935 and then to Wilmet in 1942. She married Robert C. St. John on March 21, 1951.

Mrs. St. John is survived by her husband, Robert, and one daughter, Sandra Lee, 6, her parents, Helen and Floyd Gyger, Sr., two brothers, Floyd C., Jr., and Leroy C. Gyger and one sister, Mrs. Charlotte A. Hirschmiller, all of Wilmet, and the maternal grandfather, Henry Cramer of Northbrook, Ill.

Funeral services were held Monday at Strang's Funeral Home with the Rev. Carroll Usher, Wilmet Methodist church officiating. Interment was in Wilmet cemetery.

Called to Father's Bedside
Mrs. H. B. Gaston went to Carmi, Ill., Tuesday in response to a message that her father, Martin Erkman was much worse. He is hospitalized and is believed near death.

They Owe Their Lives to Their Pet Dog

Mrs. Frank Kennedy Jr. and her sons, Robert 3 1/2 and Gregory, 10 months probably owe their lives to their dog, Prize, shown with them here. The barking of the dog awakened Mrs. Kennedy in time to save her two children from a fire that consumed the garage and two rooms of their home two doors north of the Scout House on Main street Friday. The dining room in which the children were sleeping was destroyed.

Barking Dog Gets Credit For Saving Kennedy Family Fri.

Prize, the pet dog of the Frank Kennedy, Jr. family of North Main street is credited with saving the lives of Mrs. Kennedy and the two children, Robert, 3 1/2 and Gregory, 10 months because his barking awakened them in time for them to flee from their burning residence early last Friday.

Mrs. Kennedy, awakened by the dog's bark, smelled smoke, and by the time she had notified her father-in-law, Frank Kennedy, Sr. of Lake street of the fact, she noticed that the garage was on fire.

She was in the midst of turning in the fire alarm when the telephone went dead, the wire severed by the fire, and it was the alertness of the telephone operator, in tracing the call that gave the Antioch Fire Department the location of the fire.

Mr. Kennedy, a traveling salesman for a tool company, was in Minnesota when the fire occurred, and his father was looking after the family's needs during his absence. Frank, Sr., rushed to his son's home after his daughter-in-law called him and found Mrs. Kennedy and the two boys in the yard where she had led and carried them.

Flames were bursting out of the garage and catching to the roof of the house.

The fire department made a quick trip and soon had the fire under control but not until it had consumed the garage and gutted the dining room and kitchen.

The two children had their beds in the dining room and their beds were charred.

The fire no doubt started from a defective oil heater in the garage. Mrs. Kennedy said that she had trouble with the heater the day before.

Bad weather has delayed the work of repairing the house, which is situated two doors north of the Scout House. The Kennedys have estimated their loss at approximately \$8,500.

While but two rooms of the residence were destroyed the rest of the house was damaged by smoke and water.

The homeless family is staying with Mr. Kennedy's parents for the time being. Prize, the family dog is well cared for, too, for, although he is but mixed breed, he behaved as a thoroughbred watch dog in the emergency.

Antioch Will Battle Warren High Friday To Regain 2nd Place

Sequoits Lost to L. Forest, But Won From Zion Last Weekend

Antioch High will complete her first round of conference play in basketball tomorrow night when her teams will play the Warren Blue Devils at Gurnee.

The Sequoits will be out to win back the varsity second place position which she lost to Warren last Friday through her defeat at the hands of the Lake Forest Scouts, 57 to 52.

Although Antioch won easily from Zion on Saturday night it was the loss to Lake Forest that really hurt.

Warren won from Grayslake Friday 78-59 and remained within one game of the conference leading Grant Bulldogs who won from Wauconda 61 to 43, and remained undefeated.

Lack of depth in material showed up in the Lake Forest game. The Sequoits battled back and forth with the Scouts until in the last quarter when Dick Behrens, guard, went out on fouls and the defense thereafter was weakened because of inexperienced substitutes.

Besides doing good defensive work Behrens contributed 14 points.

Art Hanke was top scorer for Antioch with 17 points. Wayne Herbst was held to six field goals, which is under his average, and Dittmer was cold, getting only one basket and that was in the opening of fourth quarter which put the Sequoits ahead 45 to 44 for a moment.

The Sequoits were back into their old stride Saturday evening when they defeated Zion-Benton here 61 to 54.

Antioch was ahead 49 to 30 in the fourth quarter when the ZeeBees started a rally which accounted for 24 points in the final seven minutes (continued on page 7)

Kopriva to Address Lions on "Complex Character of Lincoln"

Dr. James Kopriva will speak on "The Complex Character of Abraham Lincoln" at the dinner meeting of the Antioch Lions Club at 7:15 p. m. Monday at Smart's Country House.

Dr. Kopriva, who is well versed in the history of the martyred president, will speak with authority on his subject. He was chosen for this program because of the nearness of the date to Lincoln's birthday anniversary.

A program chairman is selected for each meeting and W. C. Petty is chairman of this program. He will introduce the speaker.

Prime ribs of beef are offered on the dinner menu.

The directors of the club met Monday evening. Besides planning an ice skating rink for children the directors voted \$125 to the Hadley School for the Blind and to the Leader Dog School. Of the gift to the Hadley School, \$45.65 was from public gifts in the canisters placed on counters of business places.

Suffers Heart Attack
O. Robert Kresse of Linden Lane, Channel Lake, was taken to St. Therese hospital in Waukegan Monday night by the Antioch Rescue squad after he suffered a heart attack.

Antioch Digs Out of Eleven Inch Snowfall, Schools of Township Re-open After One Day Closing Owing to Snow-Blocked Roadways

Lions Club Benefit Dance a Success in Program, Attendance

The Lions Club dance was a huge success according to the committee in charge which estimated the attendance between 400 and 500 persons.

The Barnstable display room in downtown Antioch was filled with dancers and the music by the local band was good.

Bill Dow in his black face monologue was highly entertaining. Homer La Plant served as master of ceremonies.

An 80-foot bar was tended by 15 Lions who were kept busy the entire evening.

Helping swell the crowd were Chamber of Commerce members and their wives who adjourned their meeting at the Ruralite early to join the dancers.

Profit from the event will be used to meet the expense of the Antioch swimming pool which the club promoted.

Candidates Line Up For April Primaries Sheriff's Race Hot

Barring any withdrawals candidates have started their race in the Republican and Democratic primaries to be held in April.

The sheriff's race started last summer when Coroner Robert H. (Mickey) Babcox announced that he would oppose Chief Deputy Sheriff Norris Froelich on the Republican ballot.

Babcox, although already campaigning, did not file his notice of candidacy until a minute before the 5 p. m. deadline Monday.

Deputy County Treasurer Frank Nustra is opposing veteran Probate Clerk Allen J. Nelson who is seeking re-election.

Robert Coulson, Waukegan, and W. J. Murphy, Petite Lake, up for reelection as representatives to the state assembly, must battle for their return against Francis Barry, Libertyville, Harry Kilbane, Waukegan, and Bernard Drew, Waukegan.

At the Democratic primary, Atty. Jack Baird, Waukegan, incumbent, will be opposed by John Balen, Wadsworth, formerly of North Chicago. Mayor Joseph Armondo of Fox Lake, decided at the last moment not to enter this race.

Unopposed in the Republican primary are the incumbents, W. C. Petty for county school superintendent; Charles E. Jack for probate judge; Minard E. Hulse for county clerk; and Garfield Leaf for county clerk.

Unopposed for the three vacancies on the Lake County School Board are Louis I. Behm, incumbent, Mrs. Louis B. Hansmann, and Elliott Donnelly.

Rescue Squad Races Stork
The Antioch Rescue squad served an emergency purpose last evening in taking an expectant mother from Felter's subdivision to a Waukegan hospital. The request for the trip came from the physician when no other transportation was available. The trip was successful, and Mr. and Mrs. Jerry Dost are now the proud parents of an 8 lb. girl, born at 9 a. m. today.

Meeting Postponed
The meeting of the Rebekah lodge last night at which officers were to be installed, was cancelled, and will be held next Wednesday evening.

Merchants to Conduct White Elephant Sale On Friday and Saturday, February 7 and 8

Fox Lake School Head Fired
The Fox Lake Grade School Board has dismissed its superintendent, Keith D. Bitner, but the school man has refused to leave the job, claiming contract and tenure. Cause of the dismissal was not revealed. The teaching staff passed a resolution condemning the Board for its unethical practices. Former members of the Board have rallied to Bitner's support.

Grand Opening Announced
Philip Vos, new proprietor of the Antioch Recreation Liquor and Cheese Store will have his grand opening Saturday and Sunday. With each purchase he will give a quart of Lasser's or Canada Dry, soft drink or mix.

Snowbound Workers Off Duty, Village Employees Work 36 Hours

Antioch today completed the big task of digging out from an 11-inch snow that blocked highways and closed schools Wednesday.

Hundreds of persons weren't able to get to their work and elsewhere in Lake county two men died while shoveling snow.

The snow began falling Tuesday morning and fell throughout the day and into the night.

Children were started home from school at 1 p. m. The first four grades leaving at that time and the upper grades an hour later. One bus driven by Robert Horton got stuck at the Guy Hughes farm on Savage road southeast of Antioch and it was necessary for a township snow plow to move it out.

Grade school teachers were notified Tuesday evening there would be no school Wednesday because the side roads were impassible.

Confusion took place Wednesday morning when flooded telephone lines delayed the call to Radio Station WKRS announcing there would be no school in the Antioch schools. Many children stood out waiting for the bus until the call got through. Schools closed for the day included Antioch Township High School, St. Peter's Grade school; Channel Lake, Grass Lake, Emmons, and Hickory. Grant Township schools were closed also.

Classes Resumed Today
Classes were resumed today with the opening of roads.

Many workmen employed in Waukegan were delayed as much as five hours in coming home from work Tuesday evening. Skokie highway, where big trucks filled the one-lane traffic caused the delay, and no snow plows were operating in many places. The sheriff's office reported a traffic jam on Rte. 41 between Rte. 173 and the Illinois-Wisconsin line.

Working in frequent shifts members of the Antioch street department (continued on page 7)

Mrs. Mildred Minto, Of Loon Lake Dies, Funeral Held Today

Mrs. Mildred Minto, 75, of Loon Lake died at 5:30 a. m. Tuesday in Victory Memorial hospital following a lingering illness.

She is the wife of D. Harold Minto, prominent agricultural leader and a director of the Lake County Fair Association.

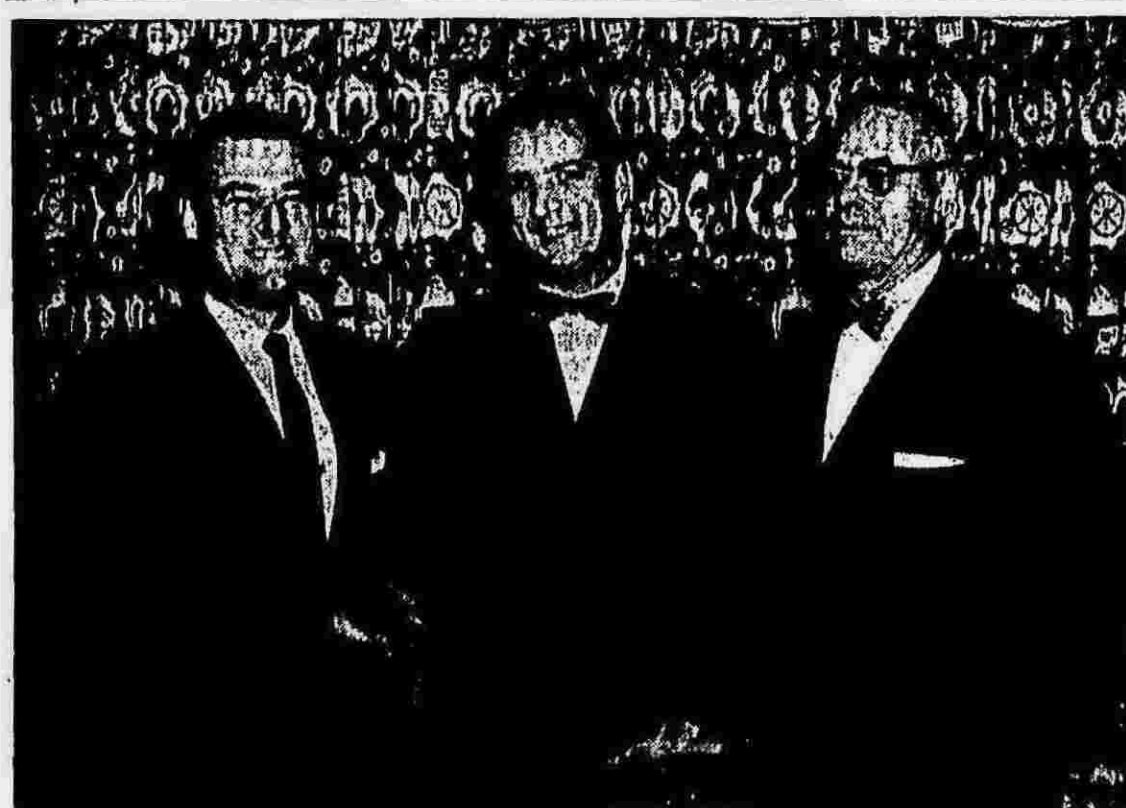

Mrs. Minto was born October 30, 1882 in Milwaukee, Wis., and moved to Union Grove, Wis., with her parents when still a child. After her marriage to Mr. Minto Oct. 18, 1905, they moved to Antioch.

Mrs. Minto was a member of the Millburn Congregational church and the Ladies Aid society of that church.

Surviving besides the husband are a son, Donald Minto of Providence, Rhode Island; five daughters, Miss Katherine, of Decatur, Miss Ruth of Antioch, Mrs. Grace Hines of Aurora, Mrs. Clarice Pharo of Camp Douglas, Wis., and Mrs. Lura Jean Johanningmeier, of Waukegan; two brothers, Edward Holloway of Bristol, Wis., and Charles Holloway of Union Grove; one sister, Mrs. Jeanette Bradley, of Somers, Wis., and 13 grandchildren.

Funeral services were held today (Thursday) at 1:30 p. m. at the Millburn Congregational church with the Reverend L. H. Messersmith officiating. Interment was in Home Oak cemetery, Antioch.

Speaker Congratulates C. of C. President

Rep. W. J. Murphy, of Petite Lake, center, who was the speaker at the Chamber of Commerce dinner Saturday evening at the Ruralite, congratulates Bernard Omsand, left, newly installed president. At the right is O. I. Onsted, retiring president, whose report on the past year was well received.

How to Nail the Triumph Over Polio

A new kind of celebration is in full swing in this country. This month thousands of communities in every part of the land are observing the 20th anniversary of the National Foundation for Infantile Paralysis. It was National Foundation leadership and National Foundation money, provided through the annual March of Dimes, that made possible the Salk vaccine and the hope that polio epidemics eventually will be eliminated forever in America.

Think what that means! No more mass imprisonment in iron lungs each summer; no more shriveled arms, legs, hands; no more dread in the hearts of millions of parents each time their children come home with "the symptoms."

The best way to celebrate a blessing like this is to show our gratitude. And the best way to be grateful for the Salk vaccine is to think about the blighted lives of those for whom it has come too late, and to do what we can to wipe out or relieve their helplessness. There are, in America, some 100,000 boys and girls, young men and women, who have had polio and who need further rehabilitation.

These people can benefit, some of them tremendously, if modern techniques of rehabilitation are applied to their disability. It is the purpose of the March of Dimes to finance the care they need. The cost will run to many millions. And the March of Dimes looks to us—to every one of us—to give what we can toward this wonderful objective.

Let's not forget those who were not as lucky as we. Let's remember, as the March of Dimes puts it, that "Survival is Not Enough." Let's give.

Have you had YOUR polio shots?

Economic Highlights

Did you ever hear of an annual \$70,000,000,000 guessing game? Alfred Steinberg writes about it, in the January issue of The Reader's Digest. This incredibly expensive guessing game, he shows, is implicit in the present method of making each year's federal budget.

The reasons for this sad state of affairs are sev-
eral by no less an authority than former President Herbert Hoover. "Under present procedures there is no effective control over expenditures either by Congress or the executive." The method looks good—on the surface. The President estimates and requests the money he thinks needed to run the government, and then Congress decides whether or not his ideas are correct and acts accordingly. But the truth is, according to Mr. Steinberg, that "an entrenched bureaucracy controls the budget; the President and Congress have become the tail on this bureaucracy's kite."

The reason for this sad state of affairs are sev-
eral. For one thing "... most department budgets are prepared from the bottom up." Legions of officials have a hand in preparing the estimates, and they want all the money, projects, and importance they can get. Budget preparation begins 18 months before the next budget period, and often proves to be outdated and "... about as realistic as Caesar's ghost." The Bureau of the Budget, which has the duty of checking on all budgets, is woefully understaffed, in the light of the magnitude of the task, and can't make

thorough analyses of needs. Mr. Steinberg cites the case of an agency which had been set up to report on a 1917 grain-elevator explosion in Baltimore. It was operating 30 years later, when Budget Bureau inspectors caught up with it. Then, agencies commonly spend unneeded funds rather than return them to the Treasury—on the grounds that if they did return them their next requests for money might be cut.

The Congressional appropriations committees, in the view of Senator McClellan, "... are practically helpless" when it comes to dealing with budgets. They have few employees for budget work. Appropriation requests are split into many separate bills and the budget as a whole is not studied. According to Mr. Steinberg, a subcommittee once raced through a \$3,200,000,000 request for the Atomic Energy Commission in a single afternoon. And the worst feature of all, he says, is that "... some 65 per cent of government spending is beyond the reach of Congress." It is found in fixed charges, pensions, etc.

Mr. Steinberg feels that three steps should initially be taken to bring order out of this chaos. First, the president should be authorized to use the "item" veto. That is, he could veto individual items in an appropriations bill, while retaining other items. At present he must approve or disapprove the entire bill, without change.

Second, what is known as "No-Year" appropriations should be eliminated. These are appropriations made without time limitations. Their elimination would force each agency to detail the goods and services it wants for the next year only.

Third, the staffs of the Bureau of the Budget and the Congressional appropriations committee should be enlarged and strengthened.

To quote Mr. Steinberg once more: "Until we put our budget-making apparatus on a sounder basis, the present uneconomic shambles will continue."

Grass Roots Opinion

OXNARD, CALIF., NEWS: "Power-hungry bureaucrats with control of our tax dollars pour our money down an ever-increasing stream of non-essential federal programs which give them control over vast areas of government activity. Of course, the taxpayer pays the bill."

QUINCY, MASS., PATRIOT LEDGER: "Government ... never goes out of existence. Government has no competition so there are no competitive factors that force it to be efficient."

SOUTHOLD, N. Y., TRAVELER AND WATCHMAN: "When you hear the fire trucks coming—pull off the road—give them the right of way—and give the firemen every possible advantage in their always dangerous assignment. ... Don't make their job that much harder by your desire for excitement or lack of consideration for the life and limbs of others. It may be your property they are trying to save."

COLLINSVILLE, CONN., FARMINGTON VALLEY HERALD: "Why are we behind the times? The answer is obvious. The American people, in their headlong rush into materialism, have forgotten that progress for the satisfaction of human vanities is shaky progress, and that until we place values on exploration, research, intellectual discipline and progress for humanity, we can expect to continue to be behind the times. And these things do not start at the top, seeping down to us at the grass roots, but rather, they start at the grass roots and surge upward in the direct ratio to our degree of interest and activity."

DUBLIN, GA., COURIER-HERALD: "With the current exposes by the Senate Rackets Committee of the squandering of funds paid by union members, the average American must realize that he was the one who paid the money that made these lush funds available. ... Whatever funds find their ways into labor racketeers' pockets are added costs paid by the American public. Whatever wage demands are made by labor unions are paid by the American public."

Catches Largest Fish of Season

Elmer Kosick, of rural Antioch, is shown with the 24 pound northern pike which he caught Jan. 6, at Delevan Lake, Wis. The fish 44½ inches long and 20 inches in girth, is the largest caught at that lake so far this season.

cles, here for display and sale. Full price of articles is returned to the veterans since the expense of the shipping and handling, plus the overhead of the exchange, is borne by the American Legion Auxiliary. The upkeep is made possible through donations by the 933 Units in Illinois and their sponsorship of the sale of these articles in their communities.

Legislative and National Security Program

Mrs. Himens, Legislative chairman of Antioch Unit No. 748, American Legion Auxiliary, announced recently that the American Legion and American Legion Auxiliary will stress the need for promoting good legislation during the 85th Congress which convened on January 7. The Auxiliary will stand firmly behind the American Legion in supporting the legislation that is beneficial to our country and to the veterans of World Wars I and II and the Korean Conflict. The Legion is particularly interested in legislation that will protect the interests of the disabled veteran and his dependents, the veteran's widow and orphans; for it is through their sacrifice that this nation enjoys its present peace and security.

Card of Thanks

We wish to thank our friends and neighbors for the cards and flowers, also their kindness during the recent bereavement due to the death of our mother.

Auxiliary News

Christmas Gift Shops

The American Legion Auxiliary's calendar of events was full during the month of December. Highlight was the rehabilitation of disabled veterans throughout the nation, according to Miss Swenson, president of Antioch Unit No. 748 of the American Legion Auxiliary. Although this is an unceasing Auxiliary activity during the year, the Christmas season brings an opportunity for special remembrance, not only to the veteran himself, but to his family. The Christmas Gift Shop project is made possible through the generous contributions of the 933 American Legion Auxiliary Units in the State of Illinois.

The Antioch Unit No. 748 assisted this phase of the Rehabilitation program with their generous contributions. There are eighteen Christmas Gift Shops sponsored by the American Legion Auxiliary set up in the following hospitals: Kankakee State Hospital on Nov. 25; Manteno State Hospital on Nov. 26; Peoria State Hospital on Dec. 3; Danville V. A. Hospital on Dec. 3 and 4; East Moline State Hospital on Dec. 4; Dwight V. A. Hospital on Dec. 5; West Side V. A. Hospital, Dec. 5; Chicago State T. B. Hospital, Dec. 5; Research V. A. Oak Forest Hospital, Dec. 9; North Riverside Hospital, Dec. 6.

Municipal T. B. Sanitarium on Dec. 9; Municipal T.B. San. Dec. 10; Downey V.A. Hospital, Dec. 11 and 12; Jacksonville State Hospital, Dec. 12; Marion V. A. Hospital, Dec. 13; Anna State Hospital, Dec. 14; Menard Hospital, Dec. 16; and Alton State Hospital, Dec. 17. The hospitalized veteran receiving \$20 or less per month government compensation, may select without cost to him, carefully chosen gifts for the members of his family. Auxiliary members wrap the gifts with gay holiday paper and ribbon and mail them to his family with his personally signed Christmas card enclosed. There is no organization identification on the package. The gifts are personal gifts from the veteran as far as the family is concerned. Several members of the local Unit assisted with this Christmas Gift Shop program at Downey hospital.

Other Rehabilitation Programs

The following Rehabilitation projects sponsored by the Department of Illinois, American Legion Auxiliary, are supported by Antioch Unit No. 748 according to Dorothy Horan, Rehabilitation chairman of

the unit: Insulin Funds are used to supply insulin to diabetic veterans who have been dismissed from the hospitals but who are unable to pay for the medication they need. Vaponefrin, like the insulin, brings comfort to the men who are suffering from asthma and who cannot afford to purchase the prescribed

medication. Treasure Chest Funds provide cigarettes, creature comforts, candy or fruit to all hospitalized veterans in Illinois. Canteen Book Fund, one of the most popular programs, provides the veteran patient with means to make purchases of a few of his needs and at the

same time gives him the satisfaction of selecting his own purchases. Through the Hospitality Funds all hospitals are assured of monthly entertainment, furnished greeting cards, stamps, matches, bingo sets, magazines and many other items. Downey Nursery provides care and entertainment for the children of veterans while relatives and friends visit the veterans in the hospital; children are also served milk and cookies. Easter Gift Fund provides the hospitalized veteran with a one dollar Canteen book or a special gift at Easter time. All these phases of the American Legion Auxiliary's Rehabilitation programs are made possible through the generous contributions of local Units throughout the state.

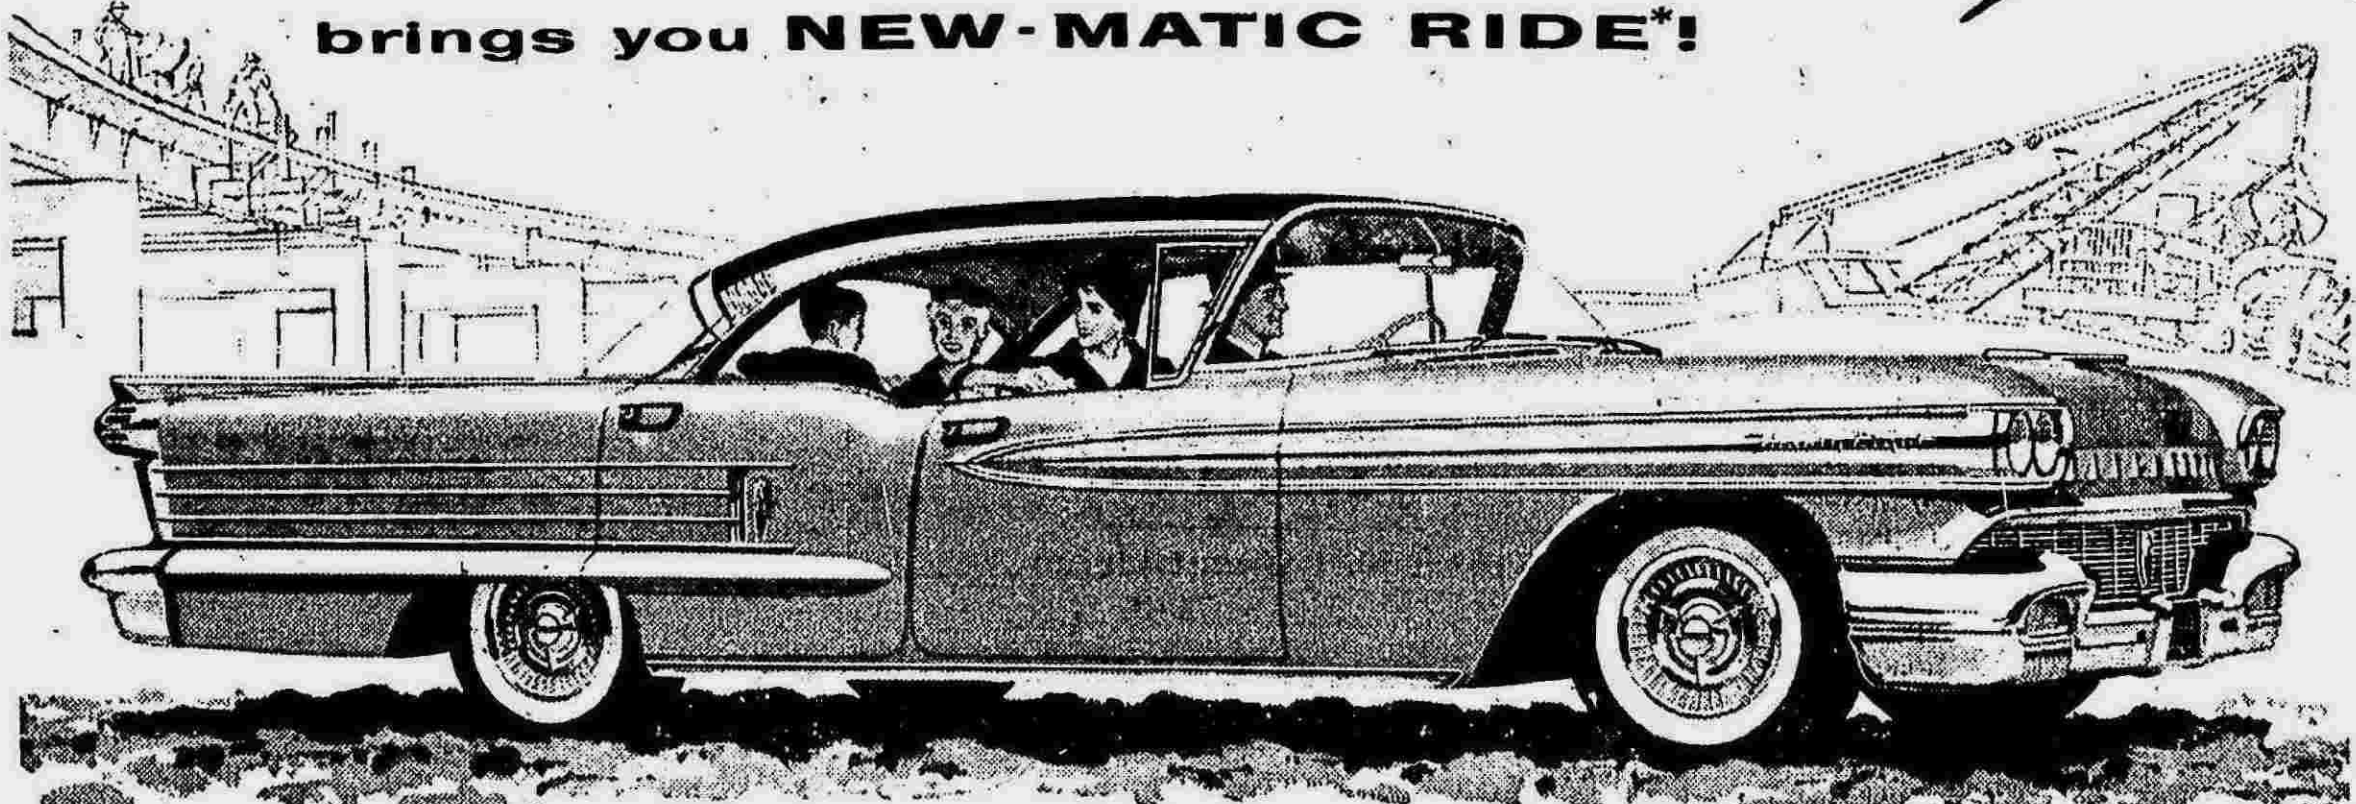

Veterans' Craft Exchange

Another important phase of the Rehabilitation program of the Auxiliary is the maintenance of the Veterans' Craft Exchange, located at 30 West Washington St., 7th floor, Chicago and is the only shop of its kind in the National organization. The Craft Exchange is continuously rehabilitating the disabled exhibitor, returning funds through the sale of his handicraft. Handicapped veterans from all over the nation send their hand made arti-

You ride on air ... and on the level!

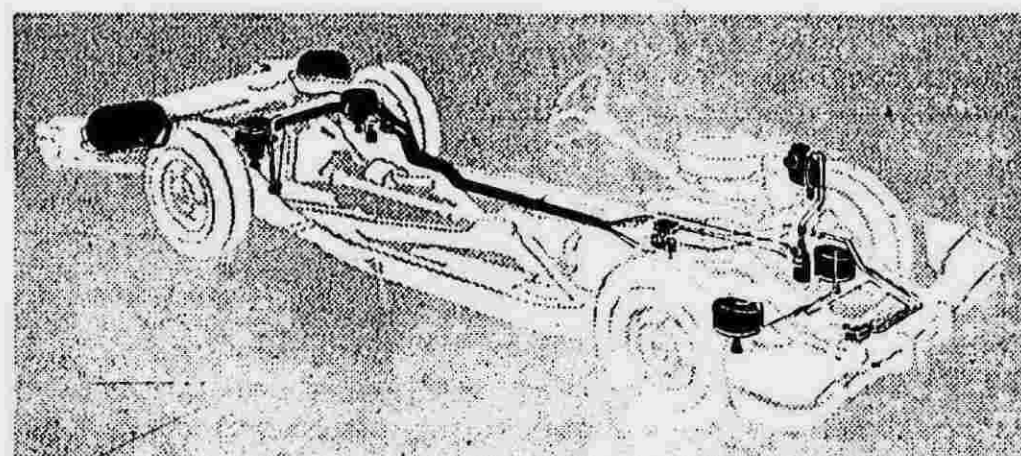

OLDSmobility

brings you NEW-MATIC RIDE!

All '58 Oldsmobiles feature Safety Plate Glass ... all around!

You don't have to look twice to tell it's a '58!

For the finest performance, Oldsmobile's New-Matic Ride is an exclusive "closed-system" (shown above). Carefully-filtered air is pumped into high-pressure tank (behind right rear wheel), ready for instant use as air chambers (at wheels) require. Air then circulates to low-pressure storage tank (behind left rear wheel), ready for future use. Air springs (one at each wheel) replace conventional metal springs.

... It's Oldsmobile's True Air Suspension!

Here's the greatest improvement in riding comfort since they first put air in tires! Oldsmobile's New-Matic Ride puts four air cushions between you and the road ... giving you the smoothest, softest, most relaxing ride you've ever experienced!

New-Matic Ride is different from any other "air ride"! It's designed exclusively for Olds! No matter how heavy or one-sided the load, New-Matic Ride instantly and automatically returns the body to "design height." You ride on-the-level all the time. There's a super-softness when the going is easy ... firm control when the going is rough!

Try New-Matic Ride today! Come in and see the magnificent new Oldsmobile and get all the facts on New-Matic Ride. Sample, too, the reserve power of the great new Rocket Engine. You'll appreciate the newest in high-compression performance—delivering all the power you can use, plus new fuel economy, too! And you'll love the luxury and distinction of Oldsmobile's brilliant new styling!

So make a date with a Rocket 81! Experience the freedom-to-go feeling of OLDsmobility ... try the superb smoothness of New-Matic Ride. It's the new concept of surface travel for the Rocket Age ... and it's available only at your Oldsmobile Dealer's!

*Optional at extra cost.

LindenhurstMrs. John Seizer, Correspondent
Telephone Elliot 6-1172

Mr. Fred Beller, police chief, has been quite ill this past week. We hope he is completely recovered by Saturday night, the night of the policemen's ball.

Clarice Slove and Sandra Hay celebrated their birthdays last Saturday with luncheon and a movie in Waukegan. They were accompanied by their mothers.

The January 15th results of the Lindenhurst Men's Club bowling league:

	Won	Lost
1-Wolff's Resort	34½	19½
2-Slove's Bakery	28½	25½
3-Klima's Resort	26	28
4-Frolik's Club Villa	25	29
5-Engle Realtors	24	30
6-Fred Maier Service	23	31

Fred Maier Service won three games from Frolik's; Slove Bakery won three from Klima's; Engle Realtors won two from Wolff's Resort.

Sam Loblillo shot high game with 234 and the high series with 501.

The policemen of Lindenhurst made a house to house canvass to see that all had heard of the ball to be held on January 25th at the Lindenhurst Men's Club on Grand avenue. They urged all to subscribe to the fund for the squad car they are planning to purchase with the proceeds from the ball. The Blue Notes will furnish the music. Come one, come all and have a real good time and you will find that you are getting acquainted with your neighbors that you didn't know had even moved into the village while your back was turned.

The Lake Villa Township American Legion Post No. 1219 and the Auxiliary to the post held a basket social Saturday evening at the Post home on Grand Avenue. After the auction was held and all were finished eating there was dancing.

The boys of the Lindenhurst Teen Club bowl every Saturday at the Antioch Recreation alleys. Plans are now in motion to enter the girls next fall.

On Friday, Jan. 30, the ladies

of the auxiliary to the Lindenhurst Men's Club will join the Mother's March on polo. The ladies will be out from 7 to 9 p. m. and you can welcome them by leaving your porch lights on.

Mr. and Mrs. Don Keppler and family have had a very busy week. They have been entertaining friends and relatives and showing their new home. On Saturday Sally gave her bridge club from Wisconsin a chance to see her new home. Twelve ladies attended and everyone had a good time.

Sunday guests in the Tony Romano home were Mr. and Mrs. Tamask, Mrs. Romano's parents, and her cousins, Mr. and Mrs. Richard Patara, all of Chicago.

The Q. T. Club held their first meeting of the new year in the home of Mrs. Fred LaChance on Tuesday evening, Jan. 14.

Mrs. Grace Risk of Galveston, Ind., has been visiting in the home of her son and family, the Clyde Risks, for the past two weeks. She was on hand to welcome her newest grandchild, Theresa Marie.

Mrs. John Walsh has been a patient in Victory Memorial hospital this past week. She is now at home.

Hickory CornersMrs. Wm. Thompson, Correspondent
Tel. Antioch 583-W-2

Mrs. Warren Wynne, our school teacher, was called to Peoria, Ill., on Thursday because of the death of her brother, so there was no school on Thursday and Friday. Mrs. Vera Christensen of Zion is the substitute teacher this week.

Oscar Finkel left O'Hare Field Monday morning on a two weeks business trip to San Francisco.

Mr. and Mrs. Will Thompson called on Wilbur Hunter at Victory Memorial hospital last Thursday afternoon.

Rev. Alfred Henderson of Antioch was a supper guest at the Joe Sheehan home Thursday evening.

Mr. and Mrs. Will Thompson and daughter Helen, were Sunday dinner guests at the home of Mr. and

Mrs. Leo Thompson at McHenry. Other dinner guests were Mrs. Edith Jorgensen of Kenosha and her daughter, Miss Cora, a nurse at Madison State hospital, Madison, Wis., Harold Thompson of Zion, Mr. and Mrs. George Thompson of Gurnee, Mr. and Mrs. Norman Gould and two daughters of Grayslake, and Morris Foley of McHenry.

Otto Ames and daughter, Linda, of Fox Lake, also Mrs. Amy Ames were Sunday dinner guests at the Rod Ames home.

Sunday afternoon callers at the Curtis Wells home were Mrs. Emil Hallwas and son of Antioch, Mrs. Andy Magiera and Warren Wells of Gurnee.

Mr. and Mrs. Bert Edwards accompanied Mr. and Mrs. Charles Anderson of Antioch to Rockford on Sunday where they visited the Ward Edwards family.

Mr. and Mrs. Lyle Harris and three daughters from Whitewater, Wis., were Sunday afternoon and supper guests at the Wilson King home.

Mr. and Mrs. Harold Butler and children of Waukegan visited Mr.

What Car Has The Best Brakes?

(Read this)

"After testing a 1958 CENTURY, one of four Buick Series (all but the SPECIAL) equipped with new deeply-finned aluminum front brake drums, it is our agreeable duty to report that these are the best brakes on a Detroit sedan by far that we have tested, and that they are, conservatively, a 100 per cent improvement over conventional Detroit brakes."

Direct quotation from the new issue of SPORTS CARS ILLUSTRATED in a report entitled: "THE SPORTS CARS ILLUSTRATED 1958 AWARD IN RECOGNITION OF OUTSTANDING ACHIEVEMENT AND SIGNIFICANT CONTRIBUTION IN THE AUTOMOTIVE FIELD PRESENTED TO THE BUICK MOTOR DIVISION GENERAL MOTORS CORPORATION, FOR MAJOR ADVANCES IN BRAKES."

**NOW—more than ever—
When better automobiles are built
Buick will build them**

**22 emergency stops from 60 mph—
and Buick's brakes still effective!**

As a result of this grueling brake test, SCI stated: "We find it the rule for Detroit sedans to brake quite efficiently for the first few stops, but then they deteriorate rapidly." But here's what happened in the Buick CENTURY: 22 "crash stops" were made from 60 MPH, and afterwards, the brakes were still fully effective. Says SCI: "This was by far the most severe test we ever have submitted a sedan's brakes to, but after it was over the Buick's brakes functioned perfectly... Buick has done it, has achieved a much better product, and has set a new standard of brake quality for Detroit."

*"Crash Stop"—fastest full stop possible for a car traveling at a given speed.

That's the story as told by SPORTS CARS ILLUSTRATED. You'll find how true the story is when you drive the Air Born B-58 Buick yourself and learn about all its great features.

There are totally new features in ride, in performance, in all-round comfort and ease of handling. Come on in and prove that—at your Buick dealer's—today.

Aluminum Front Brakes Standard
on all Series except SPECIAL.

THE UNIQUE OPEL

— the imported car made by General Motors in Germany—can now be ordered through authorized Buick dealers.

YESTERDAYS

25 YEARS AGO

Thursday, January 19, 1933
"GRANARY ON LA PLANT PLACE CATCHES FIRE; Damage slight; Is One of Oldest Buildings in Township."

Sparks from a nearby bonfire caught in one of the oldest buildings in Antioch Township, the granary on the Sol LaPlant place, early Monday afternoon but the flames were extinguished by the fire department before they had caused any damage or spread to buildings close by.

A fire under a soap kettle which was left unattended for a short time during the family dinner hour caused the fire. The granary was standing on the farm fifty-eight years ago when Sol LaPlant came here as a young man with his father, Felix LaPlant.

The granary is now used as a storage place and contains many valuable family keepsakes including two trunks filled with possessions which were brought by the LaPlants from their home in Massachusetts.

Many in this section will remember the fire on the LaPlant place 27 years ago when the barn burned to the ground. At that time, Antioch had no fire trucks and the bucket brigade was not successful in its attempts to extinguish the fire though it was prevented from spreading. The fire volunteers took both trucks to Monday's fire.

The birthday of Benjamin Franklin, patron saint of the Girl Scouts because he exemplified the scout thrift law, was the subject of a contest at the Scout meeting held Monday afternoon at the Grade School. Mrs. M. K. Phillips, patrol leader, asked each girl separately whose birthday was celebrated on Jan. 17 and three scouts from White Bear, Lion and Nightingale patrols knew the answer.

Plans for a Saturday all-day trip to the field Museum were made during the meeting. Lorraine Larson visited the Museum last Saturday.

The new Impala Convertible with Body by Fisher and Safety Plate Glass for safer, sharper seeing.

ACTION NEVER CAME SO BEAUTIFULLY PACKAGED

... or offered so many new ideas about driving pleasure! CHEVROLET has blended bold new styling with brilliant advances in riding comfort and engine performance to come up with a BEAUTIFULLY MOVING THING.

There's an unmistakable sense of action in the style of this new Chevrolet. You see it in the bold way the windshield rakes back at the corners, in the deeply sculptured gull-wing rear that looks like the very shape of motion. Even the way that trim, slim

steering wheel feels in your hand tells you there's potent performance in this package!

Just twist the key. This one snaps awake and into action on a moment's notice, and puts out the kind of performance that puts pleasure into driving. V8's

with up to 280 h.p. supply the action. Full Coil suspension and a new body-frame design turn that action into a smooth, sweet-handling ride. If you like Chevrolet's looks, wait till you sample its life! Your Chevrolet dealer will arrange it.

Patricia Ann Board Recent Bride of L. Zea

Miss Patricia Ellen Board became the bride of Larry Wayne Zea, of Washington, D. C., in a double ring ceremony at Hadley Chapel, Gary Memorial Methodist church, Wheaton, Illinois, recently. The bride is the daughter of Mr. and Mrs. Ferdinand A. Board, 318 East Madison street, Wheaton.

The bride, given in marriage by her father, chose for her wedding a "ballerina" length gown of lace over satin, scoop neckline trimmed with sequins, long sleeves. Her fingertip veil was held in place by a crown of seed pearls and satin. She carried a bouquet of orchids and lily-of-the-valley.

The attendants were bridesmaid, Mrs. Thomas G. Board, maid of honor, Miss Neola Kubicek. John Daleiden served as best man; usher, James Zea, brother of the bridegroom. Soloist Dennis Zea accompanied at the organ by Donald Larson of Wheaton.

A reception followed the ceremony in the church parlors. Miss Nancy Denby, had charge of the guest book and Misses Esther Slavin and Josephine Diethelm helped with the serving. Mrs. Wilbur Knaak of Wheaton cut the wedding cake.

The bride and groom are graduates of Cornell college, Mt. Vernon, Iowa. The bride is employed as English teacher at the Antioch Township High school and the bride groom is serving in the U. S. Navy at Washington, D. C.

Grass Lake P.T.A. Will

Build Auxiliary Kitchen

A good crowd gathered on Monday at Grass Lake School for the PTA Men's night program, which began with the business meeting, conducted by Mr. George Pierce, acting president.

Minutes were read by Mr. Earl Beese, acting secretary. Mrs. Jane Powell, Ways and Means Chairman, reported that the December Penny Social was financially successful. She also announced plans for a Smorgasbord in April, after Easter.

Mr. Robert Hart, IR and Scout representative for the PTA reported Cub Pack 80 is doing well, but he requested assistance from anyone able to devote time, for the Boy Scout Troop 80, which lacks sufficient leaders. He also invited PTA members to a skating party and Bar-B-Q to be sponsored by the Scout Home Group. This will be held from 1:00 - 5:00 p.m. Sunday, February 2.

After some lively discussion, there was decided that the PTA will build a small auxiliary kitchen in the school basement to meet monthly serving needs, using the school kitchen only for larger functions.

The meeting was then turned over to Coroner Robert Babcox, who showed some thought-provoking films on actual highway accidents. Everyone learned a great deal from these real movies and Mr. Babcox answered many questions put to him by the group.

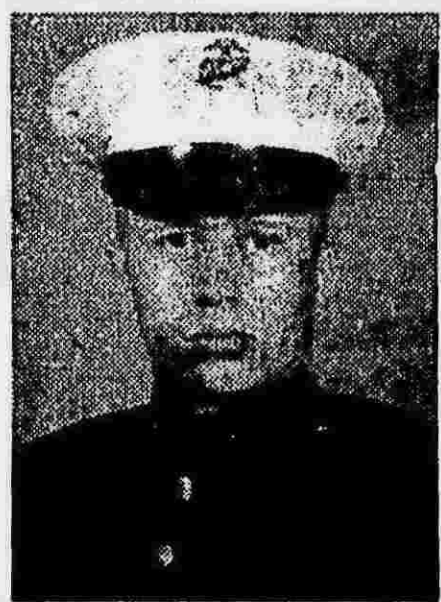

After the meeting was adjourned, refreshments were served by Mrs. Gordon Pierce and the 5th grade mothers.

COMPLETE RECRUIT TRAINING

SAN DIEGO, Calif. (FHTNC)—Roger I. Wolf, son of Mrs. Mae M. Wolf of Loon Lake, Antioch, Ill., and Albert R. Reckers, son of Mr. and Mrs. Preston J. Reckers of Shannon Ave., Route 3, Antioch, are scheduled to complete recruit training Feb. 6 at the Marine Corps Recruit Depot, San Diego, Calif.

The 11-week course includes instruction in all basic military subjects and the firing of all basic infantry weapons.

Upon completion of training new marines are assigned to a unit for further infantry training, or to one of the many Marine Corps schools.

Donations Announced

By Woman's Club, An Indian Girl Speaks

About 50 women attended the Antioch Woman's Club meeting on Monday, Jan. 13, at which Sky-Eyes, an Indian girl spoke.

Donations voted during the business meeting were to Girl Scout Troop No. 5, Mrs. Donald Chiappetta, leader, which is sponsored by the Club; Lake County Retarded Children's Fund; Porto Rican Rehabilitation Fund; and the Educational Fund of the General Woman's Club for Teachers.

It was announced that the Green Thumbers will meet Feb. 10 at the home of Mrs. Frank Pechousek, 752 N. Main St., and that Mrs. D. A. Francisco will visit Downey Hospital Tuesday evening, Jan. 28. Mrs. Ralph Greens was appointed chairman of the cancer drive with Mrs. William Brook, co-chairman.

The entertainment included several musical selections by Penny Storch and Judy Apostolow, students at Antioch Township High school and a delightful talk by Sky-Eyes, an Indian girl in lovely costume. The subject of her talk was "Stop Being Afraid and Live Longer" and she also sang an Indian lullaby. Miss Sky Eyes is an accomplished musician and artist and has entertained over 8000 groups in different parts of the country.

Refreshments were served by the hostess committee, comprised of Mrs. Roman Vos, chairman, Mrs. John Brogan, Mrs. Fred Franklin, Mrs. Everett Springer, Mrs. Norman Jede, Mrs. Hedley Simons, Mrs. Hans Molgaard and Mrs. Dudley Kennedy.

Parents Plan Minstrel As Benefit for Tour Of School Musicians

The meeting of the Antioch High School Music association which was cancelled Tuesday night because of weather conditions, will be held at 8 p. m. next Tuesday in the band room of the high school.

The Pep band will play, and Mrs. Ingeborg Weingard will sing, accompanied at the piano by Mrs. Margaret Aschenbrenner.

Any further information about the meeting can be obtained from Mrs. Kenneth Young, phone Antioch 466-M-2.

Arrangements will be made at this meeting for a minstrel show the association will stage. The organization is raising money to send the school band and senior chorus on a four-day trip to the Detroit area where they will make appearances at schools and hospitals.

The trip will be financed entirely by the parents without a cent of expense to the school. Dates of the trip are March 20 to 23 inclusive. The two groups will make as many as three appearances a day.

MISS STEARNS WINS PRIZE

One of Antioch's fledgling inventors—Miss Marilyn Stearns of Route 1, Box 109—has won a prize by suggesting a new product. The award is from Mechanics Illustrated magazine, which conducts a monthly Inventions Wanted contest wherein participants are required to suggest items that are not on the market but they believe should be invented.

Miss Stearns' prize-winning suggestion was a paint for boats that has a built-in bug repellent, that would keep insects from making nests in a laid-up boat. The award is listed in the publication's February issue.

Engagement Announced

Priscilla Ann Witkowski

Mr. and Mrs. Henry Witkowski, Petite Lake Park, Lake Villa, Illinois, announce the engagement of their daughter, Priscilla Ann, to Richard Vanderwall, Morton Grove, Illinois. No wedding date has been set.

Antioch Garden Club to Hold Meeting Jan. 27

The Antioch Garden Club will hold a meeting January 27 at the Methodist church. Following the business meeting which will be held at 9:30 a. m. Mrs. A. L. Roulet, a National judge at flower shows will give the first of a series of three lessons on flower arrangement. Mrs. Roulet will work with both fresh and dried flowers. Hostesses for the affair will be Mesdames Ruth Gibbons and Evelyn Purdy.

ATTENDS RADIO SCHOOL

NORFOLK, Va. (FHTNC)—Albert R. Yanca, seaman apprentice, USN, son of Mr. and Mrs. Charles M. Yanca of Route 3, 48 Grapevine, Antioch, Ill., is attending the Radioman School, at the Naval Station, Norfolk, Va.

Students at the school are trained to operate transmitters, radio direction finders, teletypewriters and radio receiving equipment. They also are taught to transmit and receive messages by International Morse code and type incoming messages.

The class convened Dec. 9.

MOOSE TOPICS

At the business meeting of the Women of the Moose, held Thursday, Jan. 16, at the Moose Home, 49 members balloted on new candidates.

Hostess for the month of January was Lorraine Gerloff and her Child Care committee.

Tonight (Jan. 23) will be ritual practice at the Moose Home for all chairmen, officers and escorts who will attend the Midwinter Conference at Woodstock, Ill., on Sunday, Jan. 26.

Other chapters of the Women of the Moose who will participate in activities at Woodstock will be McHenry, Harvard, Zion-Benton and Woodstock.

A pancake supper will be served by the Moose Haven committee on Friday, Jan. 31 from 6-8 p. m. A carnival will follow.

The next chapter night meeting will be an open meeting for all members and their guests at the Moose Home on Thursday, Feb. 6, at 8 p. m.

On Friday, Feb. 7, Mooseheart Alumni committee will have a card party.

The Moose Home will serve fish and shrimp Friday evening, 6:00 to 8:00. This will be the first night of a new feature which will continue on each 4th Friday of the month.

The Moose Legion, which is the second degree of the order, will honor Antioch and our own Moose Lodge No. 525 by holding their ceremonial and banquet at the Moose home Feb. 9, starting at 2 p. m. Plenty of entertainment and dancing and a fine dinner to be served.

Surprise Birthday Card

Shower for Al Shepherd

Albert Shepherd, who is a patient at Lake County Sanitarium, Waukegan, will celebrate his birthday anniversary January 28. Mrs. Shepherd has planned a surprise birthday card shower for him and anyone wishing to send a card may address it to 1400 Belvidere St., Room 204, Waukegan, Illinois.

Randall Consolidated School P.T.A. to Sponsor Card Party Feb. 8

Randall Consolidated School Parent Teachers Association will sponsor a public card party Saturday, Feb. 8 at Bassett Town Hall, Bridge, canasta, pinochle and 500 will be played. There will be refreshments and prizes for winners of high scores.

Birth Announcement

Even in a snow storm, nature will have its way. Dan A. Nissen, a 6 lb. 13 oz. boy, knew nothing of our weather Tuesday when he decided to be born. Mr. Nissen tells us the driving was difficult, but he did not have too much trouble getting Mrs. Nissen to the hospital on time.

Card of Thanks

I wish to thank all those who remembered me during my recent stay at the hospital and while at home.

Murrill Cunningham

For quick results, place a want ad by calling 43 or 44.

Card of Thanks
We wish to thank the Antioch Rescue Squad and Police Department for their assistance and sympathy, also our friends and neighbors for their cards, flowers, and acts of kindness during our recent bereavement due to the death of our husband and father.

Doris Maleck, Judy and Bill — Mr. and Mrs. William Maleck

Card of Thanks

I wish to thank all those who sent cards and came to visit me while at the hospital.

Antioch to be Host To Catholic Women Of No. Lake County

Parish and club representatives of North Lake County District of the Archdiocesan Council of Catholic Women will meet Feb. 5 at 1:30 p.m. at St. Peter parish, Antioch.

Mrs. Warren Chard, 82 S. Lake Ave., Graylake, district president, will preside at the meeting. The meeting is one of a series of 21 district meetings being conducted in Cook and Lake counties between Jan. 20 and Feb. 18.

Rev. A. J. Henderson, pastor at St. Peter, will give the welcoming address. The women of the parish are hostesses for the meeting, under the direction of Mrs. Joseph DeStefano of Channel Lake, president. Mrs. DeStefano is also in charge of registration with Mrs. Wallace Halla, 114 Rollins Rd., Round Lake, district vice president.

The Archdiocesan Council of Catholic Women coordinates the work of its affiliated organizations in the fields of spiritual, educational and charitable activities. Progress reports on ACCW committee work within the district will be given by: Mrs. Adam Urban, 3808 Lewis Ave., Zion, Spiritual Development; Mrs. Richard Hedberg of Lake Villa, Discussion Club; Mrs. T. A. Pojuna, 1318 Chestnut St., Waukegan, Library and Literature; Mrs. Edward Piktet of Gurnee, Medical Missions; Mrs. Ross Sorrentino, 442 Hickory, Waukegan, St. Vincent's Orphanage; Mrs. Delbert Amann, 313 W. Nipper-sink, Round Lake, Decency Crusade; Mrs. Leroy Paulson, 308 Douglas, Waukegan, Girl Scouts; Mrs. Dudley Kennedy, 549 Lake St., Antioch, Our Lady's Volunteers.

Archdiocesan President, Mrs. Peter J. Joyce, 8027 S. Ada St., Chicago, will address the assembly on the Lourdes centennial being observed throughout 1958.

Archdiocesan Chairman of Discussion Clubs and Our Lady's Volunteers, respectively, Mrs. Kennard Klingenberg, 4651 N. Nagle Ave., Chicago, and Mrs. Thomas H. Crossen, 326 S. Oak Park Ave., Oak Park, will visit the meeting and discuss the work of their committees.

Guests at the meeting will also include Very Rev. Msgr. Thomas J. Fitzgerald, ACCW's executive director, and Rev. Joseph J. Howard, assistant director.

Babcox Charges Sheriff Does Nothing to Reduce Juvenile Delinquency

Speaking before 104 business men in Libertyville at a breakfast meeting, Coroner Robert H. "Mickey" Babcox, candidate for sheriff at the Republican Primary charged that the Lake County sheriff's office is "too stubborn to listen to good advice."

He quoted Emmett Maroney, chairman of the Lake County Board of Supervisors saying "the problem of juvenile delinquency is becoming more acute every day. . . . We have to do something about it."

"What has the sheriff's office done?" Babcox asked. "Nothing. Apparently they do not think we have a juvenile problem in Lake County and that Emmett Maroney doesn't know what he is talking about."

"If I am elected sheriff I won't be too stubborn to listen to advice from the Board of Supervisors. I have already outlined my program for a special juvenile division, but my ear will always be open to suggestions."

The Libertyville breakfast was the tenth in a series of weekly meetings Babcox has been conducting.

Bassett P.T.A. Told Hurda Farm Site of Consolidated School

A panel of teachers answered questions from the parents at the monthly meeting of the Parent-Teacher Assn. of Randall Consolidated School at Bassett Town hall Jan. 8.

The panel included Mrs. Donna Cooper, first and second grade teacher; Mrs. Stella Patrick, principal and third and fourth grade teacher; Miss Theresa Fraher, fifth and sixth grade teacher; and Mrs. Marion Garrett, seventh and eighth grade teacher; and Mr. Racob of Kenosha, county assistant superintendent of schools.

Anthony James, member of the school board, described progress relative to the new consolidated school building which will be located on the Edward Hurda farm on County Highway F near County Highway O.

Mr. James reported that the board is ready to sign contracts for \$223,000 and that it hopes to break ground for the building in March.

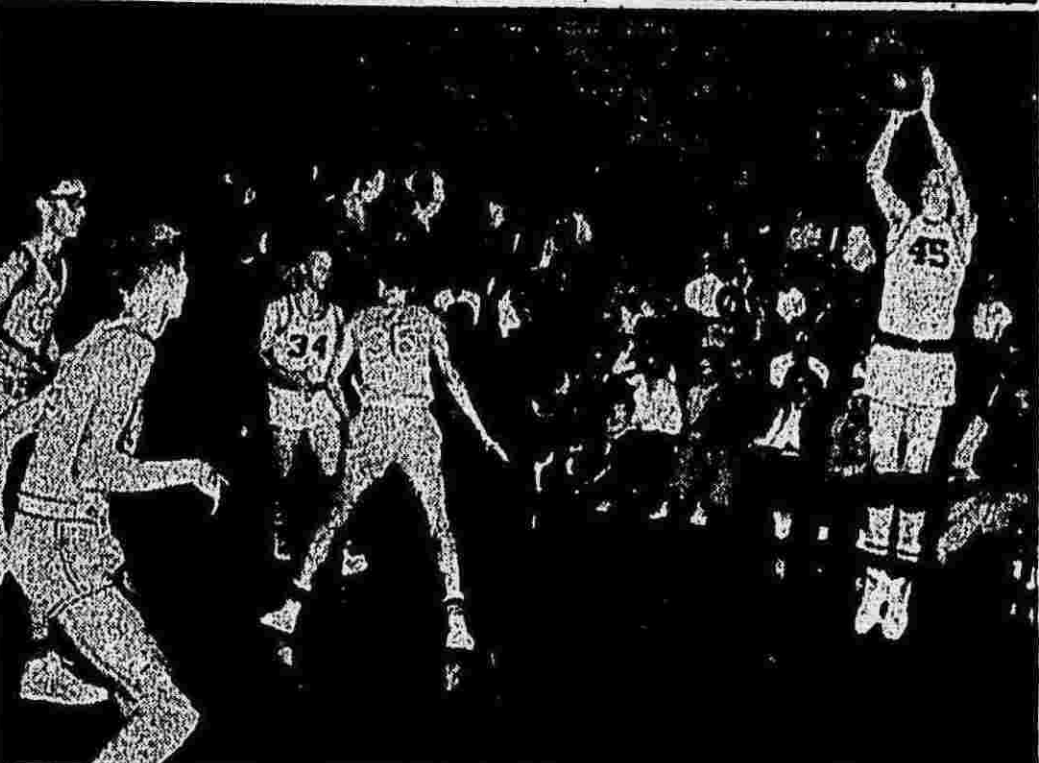

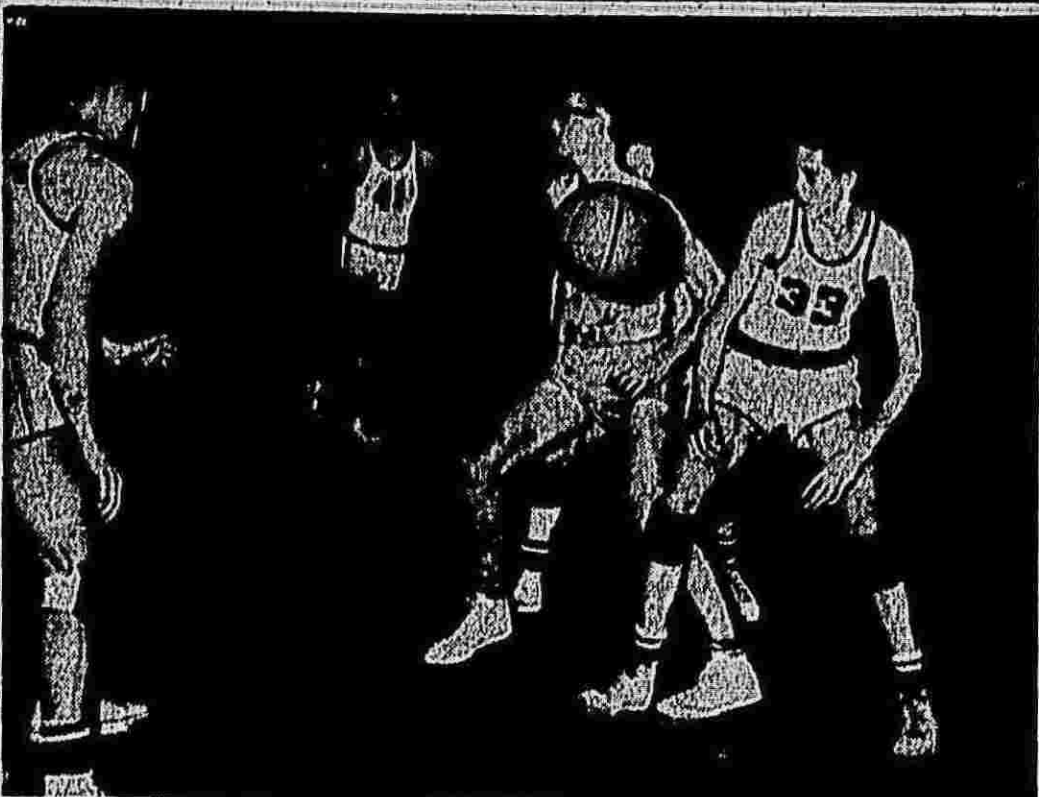

Cake and coffee were served by Mrs. John Kennedy, Mrs. Fred Sarsbacher, Mrs. Charles Dicklin, Mrs. William Osborne, Mrs. Robert Smith, and Mrs. Henry Fleck, mothers of the third graders.

Antioch Digs Out.....

(continued from page 1)
ment started on Tuesday morning and worked 36 hours steady in cleaning the Antioch streets of snow.

Mayor Murrill Cunningham, former head of the street committee

Action in Antioch-Lake Forest Game

It was a loose ball when this picture was taken Friday night at the Antioch-Lake Forest basketball game. At the extreme left is Art Hanke, in the background, No. 41 is Richard Behrens, and at the right Gerry Dittmer, No. 33. Lake Forest had just made a free-throw and it was to be Antioch's ball.

Art Hanke scores here on a jump shot 12 feet from the basket. In the far background is Pat Roach, No. 34.

Starts Campaign for Sheriff

Robert H. "Mickey" Babcox addresses business men at Libertyville on campaign issues. Shown with him are, left to right, Raymond J. Coluccio, Rep. W. J. Murphy, Petite Lake, Babcox and Thomas Nelson.

and an experienced man in snow removal, praised Charles Mapleshorpe, James Quedenfeld, Emil Ehnert and Mickey Hyre for their excellent work in cleaning not only the main streets but the side streets as well in removal of snow. The men worked in pairs, alternating with a couple hours of rest.

Today the men are cleaning snow

from the Village parking lots and cleaning up the streets.

Helping them during a four-hour period last night was Trustee John Blackman, chairman of the street committee. Under previously made plans, Blackman and his wife left yesterday for Florida on a vacation. Herman Holbek, a member of Blackman's committee, will take his place

while he is gone. Antioch has 18 miles of street.

Highways Open But Bumpy

Today highways are open, but packed snow on them are quite bumpy at intervals and Rte. 173 and Skokie highway are like riding a bucking broncho. Traffic must move slowly. Plows are continuing their work.

One Antioch citizen delayed five hours on his way home from work said he was "burned up" when he saw a state plow cleaning a tavern driveway. Instead of working that moment on the highway.

The snowfall general over Northern Iowa and Illinois was a record for the past decade. The 11 inches recorded by Cooperative Observer Roy Kufalk was equal to about one inch of rain.

Traffic accidents were few because of slow driving, but Joseph F. Grossman, 17, Spring Grove, suffered a mouth cut when his panel truck slammed into a snow-drift at State Park road north of Fox Lake and Grass Lake.

The two men who died of heart attacks from shoveling snow were Emil Monegger, 55, of Wauconda, and Raymond Stutenroth, 67, of Zion.

Antioch Will Battle.....

(continued from page 1)

of play. It wasn't enough however. Art Hanke was the top scorer for Antioch with 21 points.

Von der Linden, who led the winners with 15 points was the big threat of the Scouts. Gene Barth, and Sonny Green were strong on the back boards with Chuck Eul contributing much in breaking up Antioch's harassing press.

Victims of Record Snowfall in Area

Stranded on the wrong side of the pavement on Rte. 173 at Rte. 41 (Skokie Hwy.) Wednesday was this car, which is helpless because of the ridge of snow from a snow plow that hams it in. Other cars here managed to get out. The owner of this car is not identified.

The abandoned shovel and the uplited hood of this automobile on Rte. 173 gives mute evidence that the driver has given up in his attempt to get out of the deep snow and has either gone for help or has walked home.

Women Have Opportunity to Improve Traffic Situation

CHICAGO — Individual women's groups can win money, national recognition and the satisfaction of community service by planning and carrying out a traffic safety program.

How to do it? A woman—or a woman's club — studies a local or state traffic situation, identifies a problem, works out a solution and then tells the story—in an entry for the 1958 Carol Lane Awards, the nationwide program honoring women's contributions to the field of traffic safety through community or state projects.

Individual women or women's clubs or parents' groups who have organized and executed such safety programs during the period of the calendar year preceding the closing date of June 15, 1958, are eligible for the 1958 Carol Lane Awards.

Previous Carol Lane Awards have honored women for work in such fields as vehicle legislation, vehicle inspection, driver training and bicycle and pedestrian safety.

The Carol Lane Awards are administered by the National Safety Council through a grant of Shell Oil Co. and are named for Shell's women's travel director.

Individual Carol Lane winners receive a \$1,000 savings bond and a bronze sculpture symbolizing "Woman's protective instinct." Second and third place awards are \$500 and \$250 in savings bonds, respectively, and a bas-relief of the sculpture.

The six award winners (three individual and three women representing clubs, are guests of Shell at the National Safety Congress in October, when they receive their awards at a special luncheon.

For further information and application blanks, write to: Miss Alice C. Mills, director of women's activities, National Safety Council, 425 N. Michigan Ave., Chicago 11, Ill.

Library News

New Memorial Books at Library
A fine collection of writings on the West has been selected by Robert West Howard and published under the title "This Is the West." The followers of Stanley Vestal, Homer Croy, and Wayne Gard will welcome this saga of mountain men, prospectors, and other colorful characters of the old West.

"Desert Happy," by Douglas Rigby, is an excellent description of the moods and mysteries, the flora and fauna, of the deserts of Southern Arizona.

Since the discovery of the Dead Sea Scrolls, many books have been published about this momentous find. One of the finest was published in France in 1953 by Geza Vermes, one of the world's foremost biblical historians. Under the title "Discovery in the Judean Desert," a revised edition of the French publication is now available in English.

As distances shrink, our neighbors to the South are becoming increasingly important to the United States. Hubert Herring has given us a vivid "History of Latin America," which is a colorful panorama of the social, political and cultural history of South America, Central America and Mexico.

All of the above books may be borrowed at the Antioch Township Library. They were given to the library in memory of Miss Elizabeth Webb.

"The Clubwoman's Manual," by Kate and Isabel Monro, is an indispensable aid to the many aspects of clubwork. Correspondence, publicity, yearbooks, and other activities are discussed in addition to parliamentary procedure. "The Clubwoman's Manual" was given to the library in memory of Mrs. Walter Taylor.

Today's MEDITATION

The World's Most Widely Used Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE
Read Galatians 3: 23-29.

Ye are all the children of God by faith in Christ Jesus. (Galatians 3: 26.)

An interesting sidelight on the parable of the prodigal son is found in John Wesley's notes on the New Testament. He says: 'In the 30th verse the elder son had unkindly said, "This, thy son." The father reproves him and tenderly says, "This, thy brother." Amazing information that the best of men ought to account sinners their brethren, and should especially remember this relation when they show any inclination to return.'

Jewish Christians had no proper cause to murmur at the reception of the gentiles into the flock, nor Pharisees at the reception of the sinners.

Such a conception of brotherhood is firmly rooted in our relation with the Father. His love is what enables us, selfish and sinful men that we are, to find the secret of loving one another.

See the picture of the angry, scornful brother point his finger and saying, "This, thy son." Against this censorious tone came the gentle words, "This, thy brother." Does this not rebuke us all?

Prayer

Our Father, we are reconciled to Thee by Thy merciful and loving gift in the death of Thy Son. We have joy in the reconciliation which restores our love to Thee and to one another. In the name of our blessed Redeemer we pray. Amen.

Thought for the Day

Under God, the loving Father, men become brothers through Christ, His Son.

H. E. Moorhouse (Ontario).
Daily Bible Reading — II Peter 3: 1-18.

TAX FACTS

The Taxpayers' Federation of Illinois estimates that Illinois taxpayers will pay \$5,256,707,400 as their share of the \$73,934,000,000 Federal expenditures total proposed in the budget presented to Congress on January 13.

The new Federal budget for the fiscal year which ends June 30, 1959, as submitted by the President, calls for Federal expenditures totaling \$73.9 billion. Net budget receipts are estimated at \$74.4 billion, with a resultant \$466 million surplus.

The state taxpayer-research group pointed out that Illinois' share

of the Federal budget tax burden amounted to 7.11 per cent of the total, using an allocation formula devised by the Tax Foundation, a nationally known research organization. This means that Illinois ranks fourth among the states in their share of this budget.

"More than \$5 billion which the taxpayers of Illinois are being asked to contribute as their share of this first Sputnik era Federal budget represents a substantial burden, when we remember that it comes on top of our state and local taxes," the release pointed out.

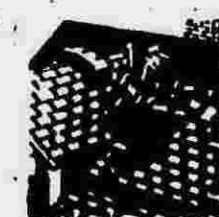

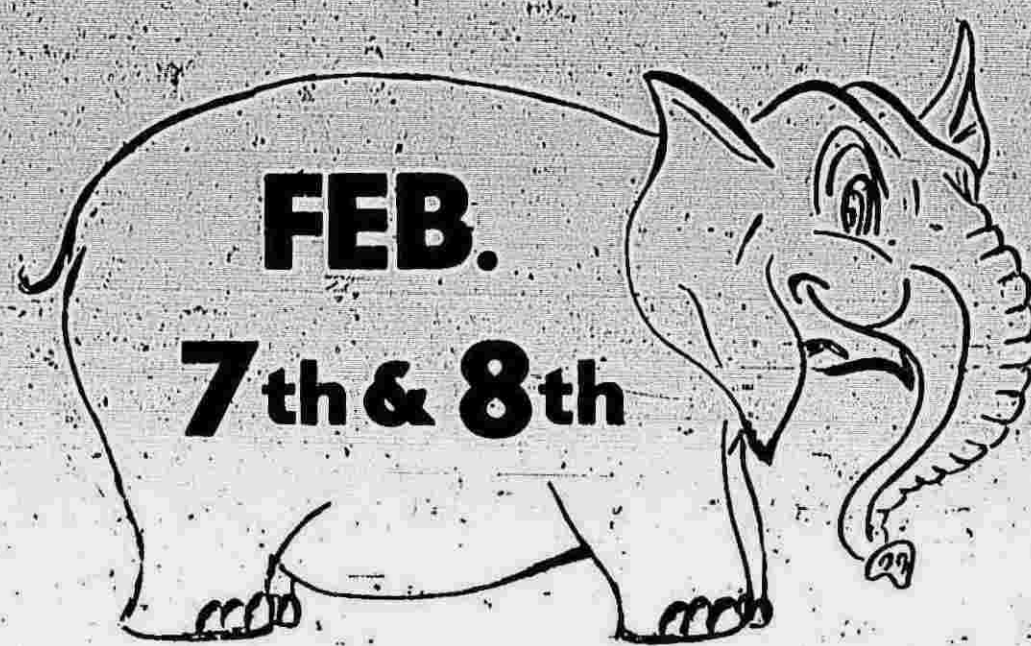

"There will be no resistance, we feel sure, from Illinois taxpayers to meeting the legitimate requirements of national security. However, with a budget of this size, it is only

proper that citizens should demand that both nondefense and even low priority defense expenditures be held to the very minimum. The organized taxpayers of Illinois will insist that this course be followed."

"We should never forget," the statement concluded, "that a strong and healthy economy is also a vital weapon in our national security arsenal, and we believe that people will not tolerate unnecessary spending or 'pump priming' proposals."

"Inflation: when something that cost \$10 new a few years ago, now costs \$15 to repair."—H. G. Hutcheson.

Prosperity goes to the heads of some—and to the waists of others.

Mrs. Byron Patrick called on Mr. and Mrs. William Kruckman at Burlington Friday afternoon.

The Misses Velma and Verna Hope of Libertyville and Jennie and Josie Loeschner were dinner guests on Sunday of Miss Olive Hope.

Veterans on Pension Must File "Income Questionnaire"

Springfield, Ill.—The Illinois Veterans' Commission today reminded veterans and widows of deceased veterans that they will receive an "Annual Income Questionnaire" if they have been receiving a pension from the government. Willard A. Manning, Administrator, urged recipients to return the questionnaire immediately to the Veterans Administration. Failure to return the income questionnaire within 30 days will result in discontinuance of pension payments.

Pension benefits are granted widows, who meet all qualifications, and whose income is less than \$1400 without dependents or \$2700 with dependents. Pensions are also payable to veterans under the above income limitations who are suffering from non-service connected disabilities; the disabilities must be permanent and must be total.

Mr. Manning stated the pension rate for a veteran is \$66.15 monthly which increases to \$78.75 a month upon attaining age sixty-five. Attainment of age sixty-five is not an automatic qualification for payment of pension. The pension rate for a widow is \$50.40 monthly

with additional allowance for minor children.

Additional information and assistance in the completion of the annual income questionnaire may be obtained at any of the Illinois Veterans' Commission offices throughout the state.

In Lake County, veterans should contact the Illinois Veterans' Commission Service Officer at 108 S. Genesee street in Waukegan.

Why Bother?

"Resolutions are not for me, even during the resolution season. I'm of the opinion, if you want to break an old habit or create a new one, the time to do it is when you're in the mood, and not when the calendar says it's time to change."—Tazewell County News.

U. of I. Food Report

Chicago Retail Food Markets
January 20-25

CHICAGO — Consumers take heart; the food industry is troubled too at current high costs and prices, and behind the scenes are seeking remedies in many controllable areas that influence market levels.

The problems have no easy solution, nor can they be simply stated. But one immediate course is open to consumers starting this week and for the coming weeks—adjust individual marketing habits and turn more to processed foods, particularly meats, produce, canned and frozen lines. At the same time enjoy the greater convenience of semi-preparation this method affords.

Fresh lines have in many cases passed the psychological price barrier. This is pointed up in the University of Illinois consumer service weekly survey which touches all bases in the marketing ballpark,

where in growing price-cost consciousness is much in evidence from retailers through all channels of distribution. Higher costs, diminished supplies and spotty quality are the plague resulting in today's higher prices.

Centralization of processing and use of technological advances is the talk of the industry. One immediate result could be wider availability and merchandising of frozen, trimmed, pre-packaged staple meats delivered to outlets ready for display and sale at retail meat counters. Until now, pre-packaging—a postwar development—has been largely a store operation supplementing in varying degree fresh meat lines. This is pointed up by recent labor contracts calling for higher wages for butchers.

Similar conditions and reasoning exist in other perishable lines where volume preparation methods can be utilized efficiently in the distribution of fresh produce.

LITTLE BILL says:

6¢ a load is all you pay— to dry the clean electric way

An electric dryer does a full 8-lb. load for only 6¢: 2 double sheets, 2 pillowcases, 2 bath towels, 2 face towels, 2 dish towels, 1 pair of pajamas, 2 pairs of men's shorts, 3 pairs of socks, 6 handkerchiefs, and 2 T-shirts. 25 to 30 minutes is all it takes to dry this load!

Nothing's faster, nothing's cleaner—
and electric dryers are completely automatic

COST?

ELECTRIC DRYERS

cost
\$30 to \$60 less
to buy
than any other kind

Today's modern electric dryers will dry a full 8-lb. load of wash for just six cents.

And clothes stay clean and smell clean when they're dried in an electric dryer. No fumes can ever mix with garments. Electric heat is clean, dry, radiant heat—just like the sun.

It takes only 25 to 30 minutes to dry a full load of cottons electrically. This means your dryer will easily keep up with your automatic washer.

All electric dryers are fully automatic. No complicated igniting devices to get out of order.

And, as your electric appliance dealer will tell you, electric dryers cost less than any other type.

Auto Driver Students Make Original Slogans

Upon the completion of their Driver Education course at Antioch High School, the students decided to develop slogans about driver safety for the new students who will start the same course the next semester. After a discussion, the class also decided to make posters for the school and for distribution throughout the community.

The general feeling of the class was that people need a constant reminder about proper driving attitudes and respect for self and for others. Because of an increase in automobile accidents, these young drivers of today and drivers of the future hope they can help to bring down the cost of insurance rates, loss of human life and human suffering. In their own way they are trying to say "The life you save may be your own" through the following:

1. Drive ahead or end up dead.
2. Control your emotion while the car is in motion.
3. If you're alert you won't get hurt.
4. A patient driver is a safe driver.
5. Good attitude—much gratitude.
6. If you want to stay alive, learn the correct way to drive.
7. Anger is a short cut to danger.
8. Whenever there's snow, please go slow.
9. Watch the corners or you may have mourners.
10. Be bright, drive right; Be dumb, feel numb.
11. Show-off driving is juvenile, so don't act your age.
12. Keep your car in shape or you'll find yourself in a scrape.
13. He who speeds on curves gets what he deserves.

Salem Central High To Limit Boundaries Effective Next Year

The Salem Central High School Board of Education at a meeting Jan. 14 voted to limit the eastern boundaries of the bus routes to the Yule road in Simers township, highway 192, and County Trunk H in Pleasant Prairie township. This action will become effective with the 1958-59 school year.

The board voted to deny participation in graduation ceremonies to those students who fail to meet graduation requirements. Approval was given to Teachers Visitation Day in February.

A. H. Erickson, principal, told of the recent information on roads in the Bond base area as it affects the school bus system, and announced that Central High is now officially a member of the Southeastern Athletic Conference.

Two Hurt in Collision On Rte. 173 Sunday

William Klein, 85, of the German-Hungarian Home, Lake Villa, was taken to the Lake County General Hospital by the Antioch Rescue Squad at 5 p. m. Sunday for treatment of broken ribs received in a two car collision on Rte. 173 near Deep Lake road.

Klein was a passenger in the car of an unidentified driver whose car collided with a car driven by Henry Welsch of 1420 New Jersey Ave., Sheboygan, Wis. Mrs. Welsch suffered a leg injury and was bruised about the head. The first aid men took her to a train on which she could be taken home.

Pvt. Messersmith in Germany Sandhofen, Germany (AHTNC)—Army Pvt. Ronald C. Messersmith, 351 Bridgewood Ave., Antioch, Ill., recently was assigned to the 8th Infantry Division in Germany.

Messersmith is a supply clerk in the division's 13th Infantry. He entered the Army in May, 1957, and completed basic training at Fort Riley, Kansas.

The 18-year-old soldier attended Antioch Township High school.

Local Band Is Hot at Lions Dance

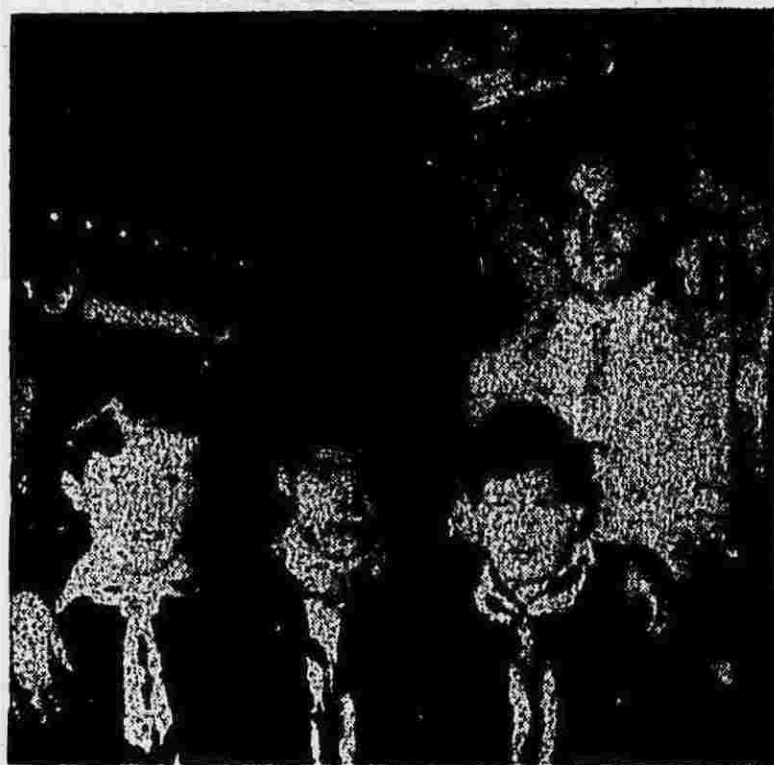

There was real music and not just a jam session when these Antioch musicians got together last Saturday night in playing for the Lions Club Dance. Members are, left to right, W. V. Lahti, Art Smekal, countless standing; almost hidden is George Bartlett, Howard Gaston, Leonard Roblin, William Brook, Ralph Trieger, standing; Richard Rakow and almost hidden, Dr. J. W. Kopriva. Not in the picture is Mike Murrie.

Teacher Gets HAM Radio License Plates

Officers of the Antioch High School Radio Club are shown inspecting their sponsor's new license plate which carries his call letters as a Ham (amateur) radio operator. They are, left to right, David Moorman, secretary-treasurer, kneeling; Louis Chenette, sponsor; Brian Cain, president; and Stephen Aschenbrenner, vice president.

Scouts Tour Theatre

"Movie Making" is the Cub Scout project for this month and as a help in understanding how movies are presented, William Goewey, manager of the Antioch Theatre, has been kept busy escorting Cub Scout groups through the theatre. Pictured here are members of Den 4, Pack 92, standing beside the projection machines in the projection room at the Antioch Theatre. Left to right, Donald Zeman, Phillip Delany, Patrick Paty, Manager Goewey stands in rear. Rosemary Eckert and Ramona Crandall are Den Mothers who arranged the visit to the theatre. The visit to the projection room held such high interest with everyone (including the Den Mothers) that Goewey has extended invitations to other groups who would like to see how the movies are shown at the theatre. Arrangements may be made by phoning Mr. Goewey at the theatre.

Channel Lake Woman Badly Burned When Blouse Catches Fire

Mrs. Virginia Ruhstorfer of Lake avenue, Channel Lake suffered third degree burns to her back Tuesday evening when her blouse caught fire from a stove. Mr. Ruhstorfer, an employee of the Willowdale dairy, was at home at the time and smothered the flames before they spread.

Mrs. Ruhstorfer was taken to Victory Memorial hospital for treatment. She expects to return home in a few days.

Mother Advisor Chosen For Order of Rainbow

Mrs. Dorothea Farm was elected mother advisor for the Antioch Order of Rainbow for Girls at the annual meeting Monday.

Norwin Stoffel was appointed chairman of the new advisory board for the organization. Serving with him are Mrs. Wilma Gibbs, secretary; Mrs. Dorothy Mantis, Mrs. Trudy Mann, Mrs. Helen Brown, Mrs. Clarence Larson, Emil Kirschbaum, and Harold Kleven.

The regular meeting of the Rainbow Girls will be held at 7:30 p. m. Monday.

Two automobile fires were given attention by the Antioch fire department. The firemen drove through a snow storm at 9:45 p. m. Tuesday to the home of J. A. Youngman south of Cox's Corner on Rte. 173 where the Youngman car was afire. The car in the driveway was

left with its engine running while Mr. Youngman went into the house, and when he returned it had overheated and caught fire. Damage was mainly to the machinery.

On Monday the firemen rushed to the Servicenter where the automobile of Herbert Horton, Jr., was afire. Damage was done to the trunk, spare tire, and rear cushions, according to Fire Chief Edgar Simonsen.

Mrs. Aretas Keulman of Antioch Hills, suffered a fracture of her right ankle Tuesday when she slipped on ice in the driveway of her brother-in-law, William Keulman and fell. She was treated at the office of a local physician, and because the roads to a Waukegan hospital were blocked by the snow storm, the Antioch Rescue Squad took her to her home. Whether she will be taken to the hospital later is not known.

Mrs. Robert Mortensen suffered a compound fracture of her right leg Tuesday when her daughter fell upon her while at play. She was taken to St. Therese hospital, Waukegan for care. The accident occurred at the Mortensen hotel which they have been operating while the proprietors, relatives, have been away.

ECONOMY TV TOPICS

(By Harold "Pete" Peterson)

CARS AND TV.

A lady phoned at ECONOMY TV on rte. 173, 1 1/2 miles west of Antioch and said, "My TV picture has wavy lines all over. What's wrong with it and how much will it cost to fix it?"

If an automobile motor missed fire, most folks would understand that anyone of several parts could be in need of replacement or repair. It would be necessary for a mechanic to check different parts of the engine.

In television the idea is the same. The failure of any one of several electronic devices can result in the same apparent trouble.

When you phone ANTIOCH 1454 for electronic services, you'll find an organization with the latest type equipment to find and correct trouble in the least time and lowest cost. Most of our servicing is done right in your living room.

"SERVICE WITH-IN AN HOUR"

The Antioch News and Antioch Theatre invite Edwin Lindstrom, Rte. 2, Box 182-A, Antioch, Ill., and one to attend Sunday, Monday, or Tuesday showing of "The Tin Star" at the Antioch Theatre.

Senator Douglas Resumes "Report to Illinois"

Senator Paul H. Douglas (D-Ill.) has resumed his fortnightly television and weekly radio report to Illinois constituents on WGN-TV, at 7:45 p. m., Saturday, Jan. 18.

His regular guest will be his wife, Emily Taft Douglas, former congresswoman-at-large from Illinois. Senator Douglas will be joined, however, from time to time, by other well known guests who will discuss with him specific fields with which they are well acquainted.

"I am glad to have this chance to report to Illinois," said Senator Douglas in announcing the beginning of the series. "I shall devote each program to a topic of timely interest or give my views on legislation which is before Congress."

Hunting is becoming safer every year in Illinois despite a record increase in the number of hunters, according to a report to Governor William G. Stratton from the Department of Conservation.

A year end summary showed only four fatalities in 1957, and a total of 18 accidents. In 1956 there were 21 accidents reported and seven fatalities. The previous year showed 24 accidents, half of which were fatal.

Offer \$125,000 Prizes In Home Owner Contest

A fascinating contest for homeowners has just been announced by Edmund F. Vos, president of Antioch Lumber & Coal Co. which has recently become active members of the Home Improvement Council.

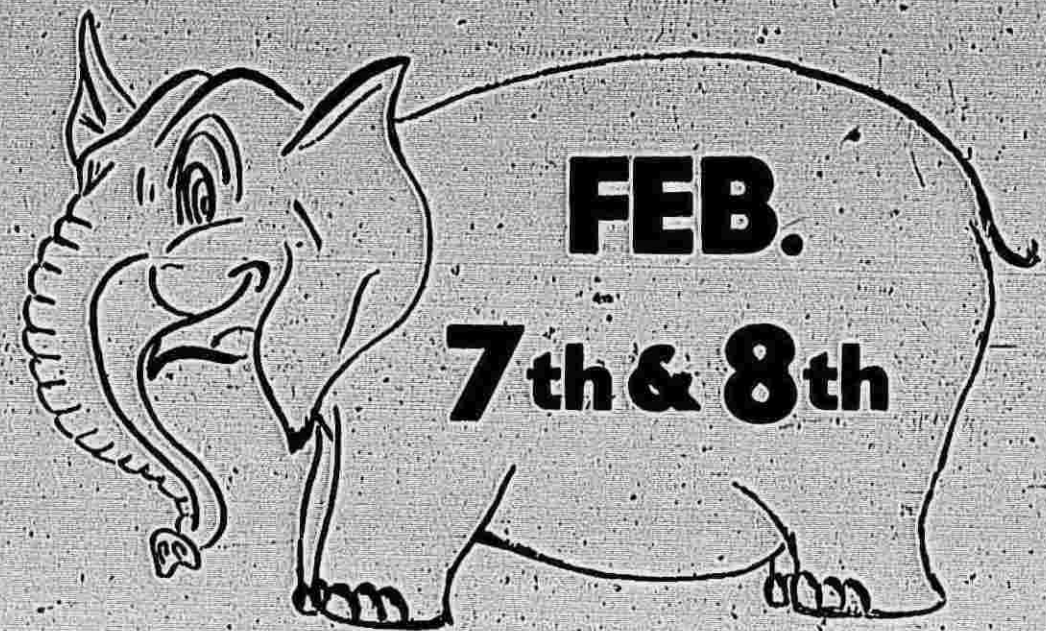

The Council is a national, industry-wide organization to help homeowners protect their homes from costly deterioration, and to help them take specific, sound steps to increase the value of their homes.

The contest, open to all local homeowners, runs from January 1 to June 30 with an exciting "HOW'S YOUR HOME?" game, in which the family fills out a checklist of home improvement needs. The entrants complete the statement, "Here's why we feel it is important to improve our home"—(25 words or less).

"There are 1003 cash prizes totaling \$125,000," Mr. Vos said. "The first prize will be \$25,000. The second prize will be \$10,000 and the third prize \$3,000. Local homeowners can also compete for 1000 more prizes totaling \$87,000."

"The purpose of this contest is to help people in our town and every

other community to see for themselves the real condition of their homes as well as the great need for home improvements to protect themselves and their property," he said. Official Home Improvement Council contest entry blanks as well as helpful ideas and suggestions may be obtained from Antioch Lumber & Coal Co. or other local firms who are members of the Home Improvement Council.
